SlowMood – I progetti su cultura e salute di Casa Paganini-InfoMus

SlowMood – The projects on culture and health of Casa Paganini-Infomus

Antonio Camurri, Casa Paganini-InfoMus, DIBRIS, University of Genova

ABSTRACT

Through short video fragments of our realizations of museum projects based on our paradigm "Slowmood", I show how through multimodal technologies increasingly faster we try to slow down - that is to make deeper, authentic - the experience with the work of art and with cultural content.
